

JUST FOR YOU | SUMMER **ENTERING 6TH - 12TH GRADE | CAMP 2019**

TEEN STEAM!

JUNE 17-AUGUST 23

7:30AM-5:30PM MONDAY-FRIDAY
LUNCH & SNACK PROVIDED

SPACE IS LIMITED SO SIGN UP EARLY!
DETAILS ON BACK

STEAM Camps are composed of fun activities that feature science, technology, engineering, arts, and math concepts.

- June 17th-21st: Tasting Perfection
- June 24th-28th: Mission Control
- July 1st-3rd: Bounty of the Umpqua
- July 8th-12th: Papercuts: Think Outside the Box
- July 15th-19th: Project D.I.A.L. Up
- July 22nd-26th: Snel Fietsen
- July 29th- Aug. 2nd: Flat Earth Theory
- August 5th-9th: Be Great Film Studio
- August 12th-16th: The Radd Cobra Arcade
- August 19th-23rd: Fantasy Feast 2.0

TEEN STEAM!

Tasting Perfection – June 17th – 21st 20 max.

Take your taste buds to Shangri-La when they taste the perfection that will come straight out of the Club's kitchen and straight into your mouth in this week's camp. In our Club's kitchen our little gourmands will unlock the scrumptious science behind culinary chemistry as they concoct some crumbly confections in the Club's laboratory. Science—it's pretty sweet, though.

Mission Control – June 24th – 28th 20 max.

All systems are go and ready for lift off in this week's camp, as we head to the Club's launch pad to send some ships to space (well if not space, at least really high up in the sky). Come join us rocketeer and learn what it takes to build the machines that take us far from home and far out into the deep unknown. Let the countdown begin. T-10 seconds....

Bounty of the Umpqua – July 1st – 3rd 20 max.

This week our Club's culinary artists will explore the bounty of the Umpqua Valley. We will go out to the fields and groves of this beautiful land and we will harvest the bounty that Mother Nature has bestowed upon our slice of the North West. We will then take the fruit of our labor and bring it back to the Club's kitchen to bake at 360 delectably delightful degrees and then we will kick back and enjoy scrumdilious summer treats, as we think how lucky we are to live here.

Papercuts: Think Outside the Box – July 8th – 12th 20 max.

Every problem supposedly has a solution; you just have to be creative enough to find it. That's this week's camp in a nutshell. Campers will be given a challenge and will have limited time and resources to complete that challenge. If you look at a box and see more than just a box, this camp is for you and your wild imagination. Let's get to work, imagineers.

Project D.I.A.L. Up – July 15th – 19th 10 max.

Technology will save us and the future is now. A new assignment has hit our desk at the Club's R&D department: animate the inanimate. We are calling for young, brilliant minds to assemble to help us take our first steps into the unknown, from the present and into the future. Help us design, build and program the machines that will elevate us from the mundane. Push forward.

Snel Fietsen – July 22nd – 26th *own bike required 20 max.

Ronde en ronde we gaan. That's right campers, we're doing it again! Bike week is here to get us rolling into the home stretch of summer. So lace up those shoes, grease those chains, buckle those helmets and let's ride to the horizon and beyond. You are your own engine and only you can limit how far you can go.

Flat Earth Theory – July 29th – Aug 2nd 20 max.

From the fjords of Iceland to Mount Olympus in Greece; from the Aztec Pyramids in Puebla to the Great Pyramids of Giza; from Mumbai to Mogadishu to Milan there is one thing that almost all cultures have in common: flatbread. There's tortillas from Mexico, pita from Greece, roti in India, focaccia from Italy, flatkaka from Iceland and tunnbröd from Sweden. Three essential ingredients forged together by chemical reactions known by ancients as far back as 14,000 years ago unite us all. Let us roll the world into the palm of our hand and enjoy it with some good friends, good butter and a touch of salt. Salud.

Be Great Film Studio – August 5th – 9th 20 max.

One week. One camera. A handful of friends. A hundred ideas. Can you tell the greatest story ever told on film? Let's make a scene. Let's make magic. Let's make a movie.

The Radd Cobra Arcade – August 12th – 16th 20 max.

If you build it they will come. If you build it they will play. Pinball wizards. Skee-ball slingers. Button mashers. Joystick jockeys. Then suddenly they will vanish, looking for that next big challenge, that next high score—somewhere beyond the edge of the horizon. Here today, gone tomorrow just like: The Radd Cobra Arcade. Let's design fun.

Fantasy Feast 2.0 – August 19th – 23rd 20 max.

This camp is for you if you have ever watched a foodie scene from a movie and your mouth started to water, and your tummy growled, and your hands reached towards the screen and you mumbled, "I wantz;" this camp is for you, if you have ever daydreamed of being the kiddos exploring The Chocolate Room in Willy Wonka and the Chocolate Factory. Some of the most memorable scenes in movies involve food, whether: eating, prepping or presenting. Join us as we recreate some enticing morsels from the big screen and then sit back and watch the movie. While we cannot promise a chocolate river, we can promise a sweet, sweet end to summer. Let the feast begin!

WHAT TO BRING

Campers will be expected to participate in all activities and keep an open mind. There will be activities where campers will walk and explore so comfortable walking shoes and a water bottle are recommended.

MORE DETAILS

Members	\$100 per week
Scholarship Recipients	\$50 per week
Non-Members	\$110 per week
Late Registration	\$10 late fee*
	*week of camp

Club opens at 7:30am, camps start
At 8:30am and end at 12:00pm.

Following lunch, regular Club
programming starts and all camp
participants are encouraged to stay.
The Club closes at 5:30pm.

Lunch and Snack provided for all
participants. Lunch served 12:00-1:30pm;
snack served 3:00-4:00pm

USDA meals are free for children
1-18 regardless of membership status.

Children 6 and younger must be
supervised by a parent or caregiver.

This institution is an equal
opportunity provider.

Scholarships are available for
members who qualify for free or
reduced fee lunch through their
school district. A copy of your
eligibility letter is required at the time
of registration. Scholarship funding
is limited and is available only
while supplies lasts.
